

COVID TIMES

Please read our house rules and always observe social distancing.

Customer & Staff safety

Keeping our staff and customers safe is a priority

Hand sanitizers are placed in prominent areas in our pub, please feel free to use them throughout your visit.

Track & Trace

If you have a phone and have the NHS app then please scan on your way in. Failing this we will take your details for NHS test & trace manually.

Face coverings

Face coverings must be worn except when you are seated at your allocated table.

Reservations

We encourage everyone to make a booking where possible to avoid disappointment. When you have made a booking please can you arrive at your allocated time and not before or after to assist us with social distancing. Please ring to make a reservation. If you are passing through and wondering if we have a table, please can one member of your party come in to enquire.

A one-way system is in place. Always start at our main entrance and exits are via the riverside room and riverside door.

Table service

We ask you kindly to stay seated at your allocated table for the duration of your visit unless you need the facilities we are here to look after you from start to finish. When you leave your table for any reason, we do ask that you are wearing your face covering.

Outside heated area

We have a heated outside area available for drinks only. Drinks are ordered via our QR app located on these tables then delivered to your table

Payment

It would be fantastic if all our customer can pay by card transaction. Cash can be used but cards are preferable. Please stay seated at your table for us to take your payment just to assist with the flow of traffic throughout the building and help with social distancing.
